

THE STEPHENS GROUP

The Stephens Family has partnered with entrepreneurs and management teams for nearly **90 years**, building exceptional businesses with long-term, sustainable value. We continue to build on that heritage and legacy. While our team and capabilities have grown significantly over the years, we have not fundamentally changed. We are unwavering in our commitment to the very same principles and standards on which Witt Stephens, Sr. founded W.R. Stephens Investment Company in 1933.

Enduring *Values*

Fairness, Transparency, Respect, and Alignment. By partnering with people and companies who share our values, we are able to build strong teams, authentic relationships, and valuable businesses.

Enduring *Capital*

We have the capabilities, investment focus and appetite of a large middle-market private equity firm, but our stable, enduring source of capital enables us to invest in strategies that truly maximize long-term value.

Enduring *Partnerships*

*Our reputation as authentic partners has not changed for the nearly **90 years** we have been investing. We approach each relationship as equals, sharing risk and reward.*
